PART 1 Notices

To Debtors: This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. Plans that do not comply with local rules and judicial rulings may not be confirmable.

In the following notice to creditors, you must check each box that applies.

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one. The headings contained in this plan are inserted for reference purposes only and shall not affect the meaning or interpretation of this plan.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, you must file a timely proof of claim in order to be paid under this plan, unless ordered otherwise.

If a claim is withdrawn by a creditor or amended to an amount less than the amount already disbursed under the plan on account of such claim: (1) The trustee is authorized to discontinue any further disbursements to related claim; (2) The sum allocated towards the payment of such creditor's claim shall be disbursed by the trustee to Debtor's remaining creditors. (3) If such creditor has received monies from the trustee (Disbursed Payments), the creditor shall return funds received in excess of the related claim to the trustee for distribution to Debtor's remaining creditors. (4) If Debtor has proposed a plan that repays his or her creditors in full, funds received in excess of the related claim shall be returned to the Debtor.

The following matters may be of particular importance. Debtor(s) must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as "Not included" or if both boxes are checked, the provision will be ineffective if set out later in the plan.
